

DARYNA GIANCOLA

AI & AUTOMATION SPECIALIST | BUSINESS PROCESS & DIGITAL SOLUTIONS

Brescia, Italy | daryna.giancola@gmail.com | +39 351 570 5850 | Driving licence B

PROFESSIONAL PROFILE

AI & Automation Specialist with an international background in strategic marketing, business analysis and revenue management. Experienced in mapping business processes and customer journeys, designing CRM and marketing automation architectures, and building AI-powered solutions with no-code/low-code and AI-assisted development tools. Combines strategic thinking with hands-on implementation, translating business requirements into scalable digital workflows and clearly presenting solutions to technical and non-technical stakeholders.

CORE EXPERTISE

AI & Business Automation • Business Process Mapping • Workflow Architecture • AI Agents & LLM Integration
CRM & Marketing Automation • API & System Integration • Customer Journey & Funnel Design
AI-Assisted Development • Digital Transformation • Client Discovery & Solution Design

PROFESSIONAL EXPERIENCE

AI Trainer / RLHF Specialist

Meridian by Invisible Technologies · Remote | 2026 - Present

- Contribute to AI training and evaluation projects using structured human feedback and project-specific quality criteria.
- Assess AI-generated outputs for accuracy, reasoning quality, instruction following and consistency.

AI & Automation Specialist - Independent Projects

Italy / Remote | Nov 2025 - Present

- Analyse business processes and customer journeys to identify opportunities for automation, AI integration and operational improvement.
- Design multi-step workflows connecting CRM, marketing, communication and productivity platforms using Make, APIs, webhooks and conditional routing.
- Configure CRM pipelines, lead-management processes, segmentation and automated nurturing sequences; build AI-powered agents and knowledge-based conversational experiences.

Marketing Director

BARNES International Realty · Ostuni, Italy | Sep 2024 - Dec 2025

- Developed integrated marketing strategies and positioning for luxury and ultra-luxury real estate in Puglia.
- Managed multilingual branding, content, partnerships and multichannel campaigns for an international client base.
- Analysed markets and performance to support commercial decisions and managed complex relationships with HNW/UHNW clients.

Real Estate Agent

Coldwell Banker · Ostuni, Italy | Feb 2023 - Dec 2023

- Managed premium property acquisition and sales for international clients, coordinating evaluations, negotiations, transactions and external partners.

SELECTED AI & AUTOMATION PROJECTS

Real Estate Lead-to-Sale Automation System

Make · Pipedrive · ActiveCampaign · ClickFunnels · Typeform · Cal.com · Google Workspace

Designed an end-to-end architecture covering lead capture, lead magnet delivery, CRM, qualification, nurture, webinar flows, call booking and sales pipeline management. Built conditional workflows to create/update CRM records, synchronise data, apply behavioural tags and automate follow-up.

AI Customer Support & Sales Routing Agent

Intercom · Knowledge Base · Pipedrive · Make

Configured a website-embedded AI support agent grounded in company knowledge, with workflows to identify sales intent, route conversations and transfer relevant lead information into Pipedrive.

AI Café & Conversational Ordering Experience

OpenAI API · LangChain · Cursor · Supabase · GitHub · Vercel

Built an AI-assisted hospitality application combining a digital menu, conversational AI barista, cart/order flow and digital payment experience.

Hospitality Operations & Kitchen Systems

Cursor · Lovable · Supabase · GitHub

Developed prototypes for restaurant-management workflows and a Kitchen Display System supporting operational order handling.

Generative AI & Workflow Automation

Make · OpenAI · Telegram · Google Workspace · Pipedrive

Built additional workflows for AI summarisation and delivery, AI content/image generation, automated document generation, and CRM synchronisation for call booking and cancellation events.

EARLIER INTERNATIONAL EXPERIENCE

Early Stage Researcher - Horizon 2020

EU Research & Innovation Project | Nov 2016 - Dec 2019

- Conducted multidisciplinary research, data analysis and structured reporting in an international project environment; supported project management and cross-functional collaboration.

Export & Marketing Intern

Ambrogio e Giovanni Folonari Tenute · Greve in Chianti, Italy | Mar 2018 - May 2018

Assistant Revenue Manager

Jumeirah Emirates Towers · Dubai, UAE | Aug 2015 - Aug 2016

- Supported pricing, forecasting, availability control and market-performance analysis for revenue optimisation.

Assistant Revenue & Reservation Manager

Raffles Praslin Seychelles · based in Dubai, UAE | Jun 2013 - Jul 2016

Earlier experience: Reservation Agent, Fairmont Grand Hotel Kyiv · Travel Agent, Svitavia Travel Agency Kyiv
