PROFESSIONAL PROFILE

International professional with experience in strategic marketing, brand positioning, business development and revenue management across luxury real estate and hospitality. Skilled in marketing strategy, market and performance analysis, customer journeys and building commercial relationships with international clients. I combine a strong business perspective with hands-on expertise in AI, CRM, marketing automation and process digitalization, designing solutions that connect strategy, technology and business needs.

CORE COMPETENCIES

PROFESSIONAL EXPERIENCE

AI & Automation Specialist — Independent Projects

Italy / Remote | Nov 2025 – Present

- Analyze business processes and customer journeys to identify opportunities for automation, AI integration and operational improvement.
- Design workflows connecting CRM, marketing and communications, including pipelines, lead management, segmentation and automated nurturing.
- Contribute to project-based AI training and evaluation (RLHF), assessing model outputs for accuracy, consistency and quality.

Marketing Director

BARNES International Realty, Ostuni (franchise office) · Ostuni, Italy | Sep 2024 – Dec 2025

- Led marketing activities for the local office, coordinating regional initiatives with the international group's central marketing standards and activities.
- Managed budgets for local initiatives and assessed partnerships, events and promotions, coordinating photographers, designers and external suppliers.
- Developed sales and communication materials aligned with the luxury brand positioning and supporting property acquisition.
- Managed direct relationships with HNW/UHNW clients, supporting business acquisition through presentations of the brand and international marketing services.
- Improved customer engagement processes, including review collection, feedback management and reactivation of existing client databases.

INTERNATIONAL & ANALYTICAL EXPERIENCE

Early Stage Researcher — Horizon 2020 / Marie Skłodowska-Curie Actions

GRAGE · European Commission · MSCA-RISE-2014 · Grant No. 645706 | Nov 2016 – Dec 2019

- Multidisciplinary research, data analysis and structured reporting within an international project; support for project management and cross-functional collaboration.

Assistant Revenue Manager

Jumeirah Emirates Towers · Dubai, UAE | Aug 2015 – Aug 2016

- Supported pricing, forecasting, availability control and market-performance analysis for revenue optimization in an international luxury setting.

Assistant Revenue & Reservation Manager

Raffles Praslin Seychelles · based in Dubai, UAE | Jun 2013 – Jul 2015

- Supported revenue and reservations management for an international luxury property, including pricing, availability and demand analysis.

Earlier experience: Reservation Agent, Fairmont Grand Hotel Kyiv · Travel Agent, Svitavia Travel Agency Kyiv

SELECTED PROJECTS — MARKETING, CRM & AI

Brand & Campaign Development

Brand Strategy · Visual Identity · Campaign Production · Generative AI

Concept and launch campaign for a new premium Franciacorta brand/product: positioning, target audience, visual identity, bottle design and an integrated campaign featuring a social carousel and short video.

Lead & Marketing Automation System

Make · Pipedrive · ActiveCampaign · ClickFunnels · Typeform · Cal.com · Google Workspace

End-to-end architecture for lead capture, CRM, qualification, nurturing, webinars, call booking and sales pipeline management, with conditional workflows for data synchronization and automated follow-up.

AI Support & Workflow Routing

Intercom · Fin AI · Pipedrive · Make

AI support layer integrated with website and business knowledge, including sales-intent detection, human handoff and transfer of relevant context to the CRM.

All projects and case studies are available at darynagiancola.com.
